Scripture Journaling Instructions:

Monday through Friday find a quiet space of time to read the scripture indicated above, then take a moment to reflect and write about what The Lord is speaking to you through those words (do the same in a year's time with the same scripture and you may find He's communicating something completely different!).

If nothing comes immediately to you, sit in quiet for a bit, re-read the scripture, and sit some more. Whatever is on your heart or in your mind – write it down.

Use Saturday to catch up on any days you might have missed through the week, or to dig deeper into something that really resonated with you, or to practice memorizing a verse that you want to ensure remains written on your heart.

On Sunday catch a sermon...live and in person or on-line!
